"To live in the hearts who loved us the most after death is simply a temporary place until we meet again in Heaven".
Karen Lower - Sister

Timothy Wayne Lower

Beloved Father, Son, Brother, and Grandfather

April 27, 1962 – January 16, 2025

Tim was born in Roaring Springs, Pennsylvania on April 27, 1962 and a graduate of Brookside High School, Sheffield, Ohio; 1980.

After graduating from high school, he enlisted and served three years with the United States Navy; after which he started his career in Fiberoptics retiring in 2019.

He was an avid fisherman who loved to fish Lake Erie for a daily catch of Walley and Smallmouth Bass any chance he had.

He was also an avid hunter in his younger years beginning with his hunting expeditions as a child with his father Wayne; sending postcards from Pennsylvania to Ohio with the deer driving the car and the hunter on the hood of the car, referencing his dad as the hunter on the hood. :-)

He loved all who loved him and will never be forgotten by those who loved him the most; his family.
